VOLUME 2. MARYVILLE, MISSOURI, MONDAY, AUG. 28, 1911. NO. 73.

ON AGAIN, OFF AGAIN

LOCAL CLUB FAILED TO GET THE CLARINDA FRANCHISE.

SHENANDOAH WAS FRIEND

That Club's Representative Cast Only Vote Favorable to Maryville in the Meeting.

Maryville did not get the Clarinda franchise in the Mink league on account of Clarinda still wanting to keep it. Several from Maryville went to Clarinda Saturday afternoon to arrange for the transfer of the team to Maryville, as it had been given out by President Carey of the league that Clarinda had given up her franchise and that Maryville could have it.

When the Maryville party arrived at Clarinda it was given out that Clarinda had not given up her franchise as yet, but was about to, unless more money was raised so the team could finish the season. More money was raised at Clarinda Saturday so the team could finish the season, and word was sent to President Carey.

A meeting of the league directors was held at Nebraska City Sunday and all of the towns in the league were represented. Maryville was represented by Ed Gauss, one of the directors of the Shenandoah club. When the matter of the Clarinda franchise came up the Clarinda representative told them that Clarinda still wanted the franchise and had raised enough money so as to be able to finish the schedule, and as Clarinda had not forfeited any games she ought to still hold her franchise. A motion by Mr. Gauss of Shenandoah that the Clarinda franchise be given to Maryville was made, and after some discussion the Falls City representative seconded the motion, stating that he would vote against it. It was put to a vote and Mr. Gauss of Shenandoah was the only man that voted for it. So the league directors have decided that Clarinda can still keep her franchise.

Shenandoah has always been very friendly to Maryville, and Mr. Gauss of that city did everything he could toward getting the Clarinda team for Maryville. But the Nebraska towns in the league are opposed to Maryville getting back into the league on account of the distance from these towns to Maryville. The services of Mr. Gauss Sunday was appreciated by the fans of Maryville, and at some future day they hope to be able to return the favor.

The exhibition game which was billed between Clarinda and Humboldt for Maryville Sunday fell through with as the Clarinda team could not get the consent of the directors of that club to play here.

The race in the Mink league at this time is between Falls City and Humboldt, and to an outsider it looks like Humboldt will win the rag. Six games are to be played this week between Humboldt and Falls City, and these games will probably decide who will win the pennant.

The Des Moines Western league team has called for Gus DeCamp, and he will go back this week. Humboldt was after a Kansas City player to take his place in the field.

THE LYRIC QUINTETTE MADE A GREAT HIT

The Maryville Lyric Quintet, of which Miss Alma Nash is director, made a decided hit with the big crowds that attended the old soldiers' reunion and carnival at Albany last week. The daily crowds, as attested by the gate fees, numbered all the way between 10,000 and 15,000 people.

The Maryville Quintet went over to Albany on Saturday, a week ago, to be ready for their engagement for Monday and Tuesday. On Sunday sermon-lectures were given by Mr. L. E. Follansbee to a great crowd in the morning, afternoon and evening, and the Lyric Quintet was asked to give some music suitable to the day, of which an Albany paper said:

"Sunday was a good day with the sermon-lectures of L. E. Follansbee and a fine program of sacred music by the Lyric Quintet orchestra. Indeed, this orchestra caught so strong with the crowds Sunday that Manager Littlewood promptly engaged them for the entire week, although he had advertised them for only two days."

More Money and Fewer Pupils This Year Than Last—Apportionment Being Made.

County Clerk George W. Demott and his office force are now busy at work apportioning the public school money among the 181 districts of Nodaway county. Last week County Clerk Demott received from the state $14,711.07, the county's share of the fund, and this, added to $6,548.07 common school fund, $1,242.15 fines and forfeitures, $8,731.22, railroad telegraph and telephone tax, $954.60 railroad building, telegraph and telephone tax, and $1,719.86 township fund, makes a total of $33,906.97 which will be apportioned this year among the school districts over the county. This amount is an increase of $2,317.72 over last year's fund.

The enumeration, as was taken recently, of the school children in the county was 8,111, or 175 decrease over 1910. The rate per pupil for this year will be $3.85, exclusive of the township fund, while last year it was $3.57.

BURNED TO DEATH

MRS. J. F. KELLOGG OF SKIDMORE VICTIM OF EXPLOSION.

RAN SCREAMING IN YARD

Fire in House Was Extinguished With Hose and Buckets, Doing Little Property Damage.

Mrs. J. F. Kellogg of Skidmore was badly burned about 10 o'clock Monday morning, when the gasoline stove in her kitchen exploded and set fire to her clothing and the house. Mrs. Kellogg was alone in the house at the time. Running out into the yard, her screams attracted the attention of her neighbors, who ran to her assistance at once, but before they could get to her she fell to the ground unconscious. Blankets and quilts were used and the flames were smothered by the time the physicians came.

The house by this time was on fire, but by prompt work on the part of the neighbors the fire was put out. The Kellogg residence has a water works system, and by attaching a hose and using buckets the flames were soon under control. The kitchen was badly burned, but outside of that no great damage was done to the house.

Mrs. Kellogg died Monday afternoon at 2 o'clock, after a few hours of great suffering from her burns. She was burned all over her body, and it was thought this morning that she could recover. Mrs. Kellogg was the wife of J. F. Kellogg, a promihent citizen of Skidmore, and the mother of Fred Kellogg, who is assistant cashier of the Bank of Skidmore.

Honnold, arrived in Maryville at 4:30 o'clock Saturday afternoon in their touring car from a three weeks' trip in the north. They traveled 2,060 miles and declared it was the most enjoyable trip excepting their European trip that they have ever taken. They say every mile was a joy ride excepting thirty miles they traveled between Racine, Wis., and Waukeegan, Ill., when it rained hard all of the way. After they arrived in Chicago they went to Lake Geneva and then to Delavan lake and to Madison, Wis., where they inspected the agricultural college. From there they went to Green lake, and on to Oshkosh, on Lake Winnebago. They next visited Green Bay, where they visited N. Schumacher of Maryville, who is spending the summer there. Their next place was Sturgeon Bay, then Fish Creek and Ephraim, and then to Milwaukee and back to Chicago, where they attended the aviation meet.

The reports of the Bellows automobile accident at Kennilworth, a suburb of Chicago, was greatly exaggerated. The boiler of their car was not injured to any extent, only one fender was broken off, and the occupants of the car were not even jarred by the accident. Their car was not long in being repaired, and it has no appearance of having ever been injured.

COMMITTEE WILL MEET OFFICIALS

Shop Employees of Illinois Central to Present Demands.

KLINE GOES TO SAN FRANCISCO

Employees Ask Eight-Hour Day and Abolition of "Personal Record" System of Union and Southern Pacific. Want Wage Increase.

Chicago, Aug. 28.—A committee, headed by President McCleary of the Federation of Shop Employees of the Illinois Central, arrived here to confer with officials of the railroad in an effort to adjust the difference between the employees and the railroad management. The committee will demand recognition of the federation by the railroad.

J. W. Kline, president of the International Brotherhood of Blacksmiths, left for San Francisco to attend the conference with Julius Kruttschnitt in an effort to induce railroad managers to meet with union committees on the strike situation. Mr. Kline said if the managers consent to meet the committee representing the federation it will go a long way toward a peaceful solution of the difficulty the roads now are facing, but declared recognition is not the only point the men are after. The men, he said, are asking for an eight-hour day, a wage increase varying from 4 to 7 cents an hour and the abolition of the "personal record" system of the Union Pacific and Southern Pacific roads.

The men say it amounts in reality to a blacklist.

DROPS WOMAN INTO LAKE

Walter Hopper of Chicago Commits Murder on Lake Steamer.

Holland, Mich., Aug. 28.—Angered, he said, because Grace Lyons of Chicago broke her promise of marriage, Walter Hopper of Chicago and Philadelphia attacked her on board the steamer Puritan in midlake and tossed her overboard. Her body was not recovered.

News of the tragedy was flashed here by wireless and officers were waiting for Hopper when the boat reached the dock. Several persons witnessed the deed and Hopper admitted the crime.

According to Hopper, he and the girl had lived as common law husband and wife for a time and intended to be married formally in a few weeks. Hearing that Miss Lyons was leaving Chicago on the Puritan, Hopper caught the boat and accosted her shortly after leaving the harbor. She accused him of drinking. A quarrel followed and she declared the marriage would not take place.

They were seated on a crate of freight on the lower deck. Suddenly Hopper grabbed her in his arms, rushed to the side of the steamer and dropped her overboard. Several deck hands seized Hopper and boats were lowered, but the body did not come to the surface.

Deported Spaniard Will Be Allowed to Return to Havana.

Havana, Aug. 28.—General Freye Andrade, the Conservative leader, who is counsel for Jose Maria Villavarde, managing editor of the Conservative organ, Cuba, and his nephew, Manuel Villaverde, announces that it is his intention to drop the appeal to the supreme court against the decree ordering the deportation from Cuba of these men. General Andrade says that President Gomez has promised to permit their return from Spain, provided the prominent Spaniards residing here make such a request. General Andrade is preparing a petition with that object in view.

President Gomez has given assurances that impartial elections will be held under a commission composed equally of Conservatives and Liberals and headed by the secretary of justice. General Gomez reiterates that he is not a candidate for re-election.

FRIGHT OF BOY CAUSES PANIC

Youth's Shout Started Wild Rush in Which Twenty-six Perish.

HUGE MINER LED STAMPEDE.

Alarm of Fire Which Preceded Canonsburg Moving Picture Horror Found to Have Been False—Film Snapped and Youth Cried Out.

Canonsburg, Pa., Aug. 28.—Twenty-six persons were suffocated or trampled to death, twenty-five were seriously injured and thirty were less severely hurt in the senseless panic at a moving picture show in the Canonsburg opera house, according to revised figures. How foolish the fatal panic was developed more fully when those involved returned to their senses enough to relate just what occurred. It transpired that there was no fire. The fatal rush for the exit was due alone to baseless fear.

It developed that not even a spark flashed. The film broke with a snapping noise and a bright light was thrown on the screen. A frightened boy imagined it was fire and unconsciously shouted the death knell of more than a score of persons as he started the mad rush for the exit. B. Dubrowski, a huge miner, jumped from his seat and ran wildly for the same exit. At the head of the narrow stairway the miner tripped. As he rolled down the stairs he swept from their feet many persons who were waiting their turn to enter and soon there was a pile of women and children and a few men at the foot of the steps. Dubrowski was probably the first person killed.

All Helpless From Fright.

When two volunteer fire departments reached the theater, those of the audience who had escaped from the building and other persons drawn to the scene were rushing ineffectively about the front of the building. No person was making any effort to aid the struggling mass within the theater.

The firemen pushed into the building and began throwing one person after another from the pile into the street. As fast as the ejected ones regained their feet, they ran shrieking in terror about the streets. As the firemen neared the bottom of the pile they began to bring out the unconscious forms of the injured and later the dead.

Miss Mary Craig, pianist at the theater, when the cries of "fire" sounded and the rush to safety started, began playing a slow march. Over and over she played the selection, never faltering. Many in the crowd caught the swing of the music and tried to hold back the crowd. When the audience had swept from the building, Miss Craig left uninjured.

List of Dead.

The following are dead: Arthur Beak, Frances Bird, Mangella Robinson, Mrs. Frederick Marshall, Mrs. Harry Kelly and son, Adolph Butfesky, Walter Nish, George Kay, Paul Mestic, Frank Syberoski, five-year-old daughter of Tony Gledish, Sydney Rittiter, Mrs. Callie Young, Murray Hill, five-year-old daughter of Wilbur Lane, Nellie McKettrick, infant daughter of Mrs. Green, George Owens, Mrs. Stella Richards, four-year-old infant of Wilbur Lane, three unidentified.

ADMITS KILLING PARENTS AND BOY

Boonville Slayer Finally Weakens and Confesses Crime.

OPPOSED HIS COMING MARRIAGE

Hides Basket Filled With Dishes, Knives and Forks and Kitchen Utensils for Use in Future Home—Lives of Parents Insured.

Evansville, Ind., Aug. 28.—William Lee, twenty-two years old, confessed that he murdered his father, Richard Lee; his mother and younger brother, Clarence, and then set fire to the family home at Boonville early Thursday in the hope of concealing the crime.

In verbal and written statements to Sheriff Davis Lee said that his motive was anger because his parents would not consent to his marriage with Mina Taylor, which he had planned for Thursday evening, and would not give him money with which to set up housekeeping.

When the confession was made public officers started with Lee in an automobile for the state reformatory at Jeffersonville to prevent possible mob violence.

Lee had previously made a statement that he had killed his father in self defense with an axe after the father had murdered his wife and younger son, but Sheriff Davis pressed the restless prisoner for "the true story," and Lee, asking for pen and ink, wrote a haltingly worded confession and afterwards pierced together, in answers to questions, a full description of the crime in the three-room cottage at Boonville.

Tells Story of Crime.

Lee said that he went Wednesday night to Newburg and called on his fiancee. They talked of the arrangements for their wedding. He had $100 in the bank, but had spent it. He knew his parents had $50 in the house. He returned home late at night and his mother reprimanded him. He told her he was determined to be married the following day and she answered he should not, that he must stay at home.

Going to his own room, Lee said, he "brooded until he was out of his mind." Suddenly he rushed into the room where his father, mother and brother slept. "I grabbed an axe by the door," he said, "and struck at my father, but hit my mother. My brother rose up and I struck him. Then my father, who had been outside, ran in and started to grab me by the throat. I hit him and he fell. I was scared so bad I did not know what I was doing. What scared me was that my father had threatened my life and I was angry at what my mother had said."

Lee said he lit a match to see what he had done and then dropped the flaming stick on the bed where his mother's body lay. "The flames flashed up and blinded me," he went on, "and I jumped into my room, put on my trousers and ran to alarm the neighbors. I would not have done this thing for anything if I had had any sense at all."

The fire in the Lee home was put out before the bodies, the skulls crushed, had been more than scorched and the youth stolidly helped carry them out to the lawn, insisting that he did not know how they came to their death.

Packs Dishes for Own Use.

Evidence produced refuted Lee's statement that he rushed from the house immediately after he had started the fire. A basin, stained with blood, in which he had washed his hands, was found. Long, gray hairs, supposedly his mother's, clung to the sides of the basin. Hidden behind a door was a basket filled with dishes, knives and forks and kitchen utensils, which, it is believed, he had packed with the idea that he would escape the consequences of the murders and soon have his own home. The lives of his father and brother were insured for $700 and this would have come to him on their death and that of his mother.

Lee is illiterate and has been an idler since boyhood, according to testimony at the coroner's inquest at Boonville. His father, a plasterer, appeared to fear him and supplied him with money.

Sacred Stream Not Found.

Toledo, O., Aug. 28.—Members of the Revised Spiritualists, who left Findlay, O., last spring for California, where they were to seek the banks of a sacred stream or spring, are stranded, according to word received here from those in the party. Their funds have run low and twenty-six men, women and children now are facing starvation.

McClure Shot From Ambush.

Porum, Okla., Aug. 28.—Charles McClure, an adherent of Pony Starr, who on May 29 last killed three members of a mob that attacked him, was shot and killed from ambush here. There is no clue to McClure's assailant. McClure had been warned to leave town.

Conley Knocks Out Kline.

Los Angeles, Cal., Aug. 28.—Frankie Conley of Kenosha, Wis., knocked out Patsy Kline of Newark, N. J., in the fourteenth round of what was scheduled to have been a twenty-round fight before the Pacific Athletic club at Vernon.

SAGE TEA WILL DARKEN THE HAIR

Restore Faded and Gray Hair to Natural Color—Dandruff Quickly Removed.

There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance they made a brew of sage leaves and applied it to their hair, with wonderfully beneficial effect.

Nowadays we don't have to resort to old-time, tiresome methods of gathering the herbs and making the tea. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready-made product, Wyeth's Sage and Sulphur Hair Remedy, containing sage in the proper strength, with the addition of sulphur, another old-time scalp remedy.

The manufacturers of this remedy authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.

(Successor to the Maryville Republican)

VOLUME 2. MARYVILLE, MISSOURI, MONDAY, AUG. 28, 1911. NO. 73.

ON AGAIN, OFF AGAIN

LOCAL CLUB FAILED TO GET THE CLARINDA FRANCHISE.

SHENANDOAH WAS FRIEND

That Club's Representative Cast Only Vote Favorable to Maryville in the Meeting.

Maryville did not get the Clarinda franchise in the Mink league on account of Clarinda still wanting to keep it. Several from Maryville went to Clarinda Saturday afternoon to arrange for the transfer of the team to Maryville, as it had been given out by President Carey of the league that Clarinda had given up her franchise and that Maryville could have it.

When the Maryville party arrived at Clarinda it was given out that Clarinda had not given up her franchise as yet, but was about to, unless more money was raised so the team could finish the season. More money was raised at Clarinda Saturday so the team could finish the season, and word was sent to President Carey.

A meeting of the league directors was held at Nebraska City Sunday and all of the towns in the league were represented. Maryville was represented by Ed Gauss, one of the directors of the Shenandoah club. When the matter of the Clarinda franchise came up the Clarinda representative told them that Clarinda still wanted the franchise and had raised enough money so as to be able to finish the schedule, and as Clarinda had not forfeited any games she ought to still hold her franchise. A motion by Mr. Gauss of Shenandoah that the Clarinda franchise be given to Maryville was made, and after some discussion the Falls City representative seconded the motion, stating that he would vote against it. It was put to a vote and Mr. Gauss of Shenandoah was the only man that voted for it. So the league directors have decided that Clarinda can still keep her franchise.

Shenandoah has always been very friendly to Maryville, and Mr. Gauss of that city did everything he could toward getting the Clarinda team for Maryville. But the Nebraska towns in the league are opposed to Maryville getting back into the league on account of the distance from these towns to Maryville. The services of Mr. Gauss Sunday was appreciated by the fans of Maryville, and at some future day they hope to be able to return the favor.

The exhibition game which was billed between Clarinda and Humboldt for Maryville Sunday fell through with as the Clarinda team could not get the consent of the directors of that club to play here.

The race in the Mink league at this time is between Falls City and Humboldt, and to an outsider it looks like Humboldt will win the rag. Six games are to be played this week between Humboldt and Falls City, and these games will probably decide who will win the pennant.

The Des Moines Western league team has called for Gus DeCamp, and he will go back this week. Humboldt was after a Kansas City player to take his place in the field.

THE LYRIC QUINTETTE MADE A GREAT HIT

The Maryville Lyric Quintet, of which Miss Alma Nash is director, made a decided hit with the big crowds that attended the old soldiers' reunion and carnival at Albany last week. The daily crowds, as attested by the gate fees, numbered all the way between 10,000 and 15,000 people.

The Maryville Quintet went over to Albany on Saturday, a week ago, to be ready for their engagement for Monday and Tuesday. On Sunday sermon-lectures were given by Mr. L. E. Follansbee to a great crowd in the morning, afternoon and evening, and the Lyric Quintet was asked to give some music suitable to the day, of which an Albany paper said:

"Sunday was a good day with the sermon-lectures of L. E. Follansbee and a fine program of sacred music by the Lyric Quintet orchestra. Indeed, this orchestra caught so strong with the crowds Sunday that Manager Littlewood promptly engaged them for the entire week, although he had advertised them for only two days."

TO GET MORE MONEY

SCHOOL FUNDS THIS YEAR ARE $3.85 PER PUPIL.

TOTAL IS $33,906.97

More Money and Fewer Pupils This Year Than Last—Apportionment Being Made.

County Clerk George W. Demott and his office force are now busy at work apportioning the public school money among the 181 districts of Nodaway county. Last week County Clerk Demott received from the state $14,711.07, the county's share of the fund, and this, added to $6,548.07 common school fund, $1,242.15 fines and forfeitures, $8,731.22, railroad telegraph and telephone tax, $954.60 railroad building, telegraph and telephone tax, and $1,719.86 township fund, makes a total of $33,906.97 which will be apportioned this year among the school districts over the county. This amount is an increase of $2,317.72 over last year's fund.

The enumeration, as was taken recently, of the school children in the county was 8,111, or 175 decrease over 1910. The rate per pupil for this year will be $3.85, exclusive of the township fund, while last year it was $3.57.

The first part of the week was taken up with preliminary instructions, followed by general maneuvers. While at the encampment the regiments solved the following problems:

An attack on a position, as a fort; the attack and defense of a convoy of wagon trains, and the march into the enemy's country with advance, rear and flank guards.

Four members of Company F did not return with the company Sunday, as they remained for the target practice which will take place this week. They were Lieutenant Charles, Loren DeMotte, Colonel Cox and John Quinn. They expect to be home by Thursday.

BURNED TO DEATH

MRS. J. F. KELLOGG OF SKIDMORE VICTIM OF EXPLOSION.

RAN SCREAMING IN YARD

Fire in House Was Extinguished With Hose and Buckets, Doing Little Property Damage.

Mrs. J. F. Kellogg of Skidmore was badly burned about 10 o'clock Monday morning, when the gasoline stove in her kitchen exploded and set fire to her clothing and the house. Mrs. Kellogg was alone in the house at the time. Running out into the yard, her screams attracted the attention of her neighbors, who ran to her assistance at once, but before they could get to her she fell to the ground unconscious. Blankets and quilts were used and the flames were smothered by the time the physicians came.

The house by this time was on fire, but by prompt work on the part of the neighbors the fire was put out. The Kellogg residence has a water works system, and by attaching a hose and using buckets the flames were soon under control. The kitchen was badly burned, but outside of that no great damage was done to the house.

Mrs. Kellogg died Monday afternoon at 2 o'clock, after a few hours of great suffering from her burns. She was burned all over her body, and it was thought this morning that she could recover. Mrs. Kellogg was the wife of J. F. Kellogg, a prominent citizen of Skidmore, and the mother of Fred Kellogg, who is assistant cashier of the Bank of Skidmore.

News of Society and Womens' Clubs

Family Reunion.

A family reunion was held Sunday, August 27, 1911, at the home of John Looker, in Southeast Maryville, in honor of Mr. and Mrs. William Looker of Oxford, Kan., who are visiting friends and relatives in Nodaway county. Of an original family of nine brothers and sisters, seven still survive, and two sisters in the west were unable to attend. The four brothers and one sister were in attendance at the reunion Sunday and their ages are as follows:

William, 77, now residing at Oxford, Kan.; John, 76, Maryville; Polk, 72, Maryville; David, 62, Hopkins, Mo.; Mrs. E. C. Schroder, 64, Silver City, Ia. John Looker, at whose home the reunion was held, is one of the early settlers of Nodaway county, coming here during the civil war. The neighbors, relatives and friends all brought well filled baskets and a regular old-fashioned dinner was enjoyed at the noon hour, to which all did justice. The day was most enjoyably spent talking over many pleasant reminiscences of happy days gone by.

We noticed people represented from Iowa, Kansas and Nebraska, as well as from all parts of Nodaway county. At a late hour the gathering disbanded for their homes, feeling well repaid for their visit, and August 27th, 1911, will long be remembered as a happy day well spent. BELLOWSES BACK FROM AUTOMOBILE TRIP

Mr. and Mrs. George P. Bellows and son, Harold Bellows, ad Mrs. Bellows' mother, Mrs. M. J. Honnold, arrived in Maryville at 4:30 o'clock Saturday afternoon in their touring car from a three weeks' trip in the north. They traveled 2,060 miles and declared it was the most enjoyable trip excepting their European trip that they have ever taken. They say every mile was a joy ride excepting thirty miles they traveled between Racine, Wis., and Waukeegan, Ill., when it rained hard all of the way. After they arrived in Chicago they went to Lake Geneva and then to Delavan lake and to Madison, Wis., where they inspected the agricultural college. From there they went to Green lake, and on to Oshkosh, on Lake Winnebago. They next visited Green Bay, where they visited N. Schumacher of Maryville, who is spending the summer there. Their next place was Sturgeon Bay, then Fish Creek and Ephraim, and then to Milwaukee and back to Chicago, where they attended the aviation meet.

The reports of the Bellows automobile accident at Kennilworth, a suburb of Chicago, was greatly exaggerated. The boiler of their car was not injured to any extent, only one fender was broken off, and the occupants of the car were not even jarred by the accident. Their car was not long in being repaired, and it has no appearance of having ever been injured.

COMMITTEE WILL MEET OFFICIALS

Shop Employees of Illinois Central to Present Demands.

KLINE GOES TO SAN FRANCISCO

Employees Ask Eight-Hour Day and Abolition of "Personal Record" System of Union and Southern Pacific. Want Wage Increase.

Chicago, Aug. 28.—A committee, headed by President McCleary of the Federation of Shop Employees of the Illinois Central, arrived here to confer with officials of the railroad in an effort to adjust the difference between the employees and the railroad management. The committee will demand recognition of the federation by the railroad.

J. W. Kline, president of the International Brotherhood of Blacksmiths, left for San Francisco to attend the conference with Julius Kruttschnitt in an effort to induce railroad managers to meet with union committees on the strike situation. Mr. Kline said if the managers consent to meet the committee representing the federation it will go a long way toward a peaceful solution of the difficulty the roads now are facing, but declared recognition is not the only point the men are after. The men, he said, are asking for an eight-hour day, a wage increase varying from 4 to 7 cents an hour and the abolition of the "personal record" system of the Union Pacific and Southern Pacific roads.

The men say it amounts in reality to a blacklist.

DROPS WOMAN INTO LAKE

Walter Hopper of Chicago Commits Murder on Lake Steamer.

Holland, Mich., Aug. 28.—Angered, he said, because Grace Lyons of Chicago broke her promise of marriage, Walter Hopper of Chicago and Philadelphia attacked her on board the steamer Puritan in midlake and tossed her overboard. Her body was not recovered.

News of the tragedy was flashed here by wireless and officers were waiting for Hopper when the boat reached the dock. Several persons witnessed the deed and Hopper admitted the crime.

According to Hopper, he and the girl had lived as common law husband and wife for a time and intended to be married formally in a few weeks. Hearing that Miss Lyons was leaving Chicago on the Puritan, Hopper caught the boat and accosted her shortly after leaving the harbor. She accused him of drinking. A quarrel followed and she declared the marriage would not take place.

They were seated on a crate of freight on the lower deck. Suddenly Hopper grabbed her in his arms, rushed to the side of the steamer and dropped her overboard. Several deck hands seized Hopper and boats were lowered, but the body did not come to the surface.

FRIGHT OF BOY CAUSES PANIC

Youth's Shout Started Wild Rush in Which Twenty-six Perish.

HUGE MINER LED STAMPEDE.

Alarm of Fire Which Preceded Canonsburg Moving Picture Horror Found to Have Been False—Film Snapped and Youth Cried Out.

Canonsburg, Pa., Aug. 28.—Twenty-six persons were suffocated or trampled to death, twenty-five were seriously injured and thirty were less severely hurt in the senseless panic at a moving picture show in the Canonsburg opera house, according to revised figures. How foolish the fatal panic was developed more fully when those involved returned to their senses enough to relate just what occurred. It transpired that there was no fire. The fatal rush for the exit was due alone to baseless fear.

It developed that not even a spark flashed. The film broke with a snapping noise and a bright light was thrown on the screen. A frightened boy imagined it was fire and unconsciously shouted the death knell of more than a score of persons as he started the mad rush for the exit. B. Dubrowski, a huge miner, jumped from his seat and ran wildly for the same exit. At the head of the narrow stairway the miner tripped. As he rolled down the stairs he swept from their feet many persons who were waiting their turn to enter and soon there was a pile of women and children and a few men at the foot of the steps. Dubrowski was probably the first person killed.

All Helpless From Fright.

When two volunteer fire departments reached the theater, those of the audience who had escaped from the building and other persons drawn to the scene were rushing ineffectively about the front of the building. No person was making any effort to aid the struggling mass within the theater.

The firemen pushed into the building and began throwing one person after another from the pile into the street. As fast as the ejected ones regained their feet, they ran shrieking in terror about the streets. As the firemen neared the bottom of the pile they began to bring out the unconscious forms of the injured and later the dead.

Miss Mary Craig, pianist at the theater, when the cries of "fire" sounded and the rush to safety started, began playing a slow march. Over and over she played the selection never faltering. Many in the crowd caught the swing of the music and tried to hold back the crowd. When the audience had swept from the building, Miss Craig left uninjured.

ADMITS KILLING PARENTS AND BOY

Boonville Slayer Finally Weakens and Confesses Crime.

OPPOSED HIS COMING MARRIAGE

Hides Basket Filled With Dishes, Knives and Forks and Kitchen Utensils for Use in Future Home—Lives of Parents Insured.

Evansville, Ind., Aug. 28.—William Lee, twenty-two years old, confessed that he murdered his father, Richard Lee; his mother and younger brother, Clarence, and then set fire to the family home at Boonville early Thursday in the hope of concealing the crime.

In verbal and written statements to Sheriff Davis Lee said that his motive was anger because his parents would not consent to his marriage with Mina Taylor, which he had planned for Thursday evening, and would not give him money with which to set up housekeeping.

When the confession was made public officers started with Lee in an automobile for the state reformatory at Jeffersonville to prevent possible mob violence.

Lee had previously made a statement that he had killed his father in self defense with an axe after the father had murdered his wife and younger son, but Sheriff Davis pressed the restless prisoner for "the true story," and Lee, asking for pen and ink, wrote a haltingly worded confession and afterwards pierced together, in answers to questions, a full description of the crime in the three-room cottage at Boonville.

Tells Story of Crime.

Lee said that he went Wednesday night to Newburg and called on his fiancee. They talked of the arrangements for their wedding. He had $100 in the bank, but had spent it. He knew his parents had $50 in the house. He returned home late at night and his mother reprimanded him. He told her he was determined to be married the following day and she answered he should not, that he must stay at home.

Going to his own room, Lee said, he "brooded until he was out of his mind." Suddenly he rushed into the room where his father, mother and brother slept. "I grabbed an axe by the door," he said, "and struck at my father, but hit my mother. My brother rose up and I struck him. Then my father, who had been outside, ran in and started to grab me by the throat. I hit him and he fell. I was scared so bad I did not know what I was doing. What scared me was that my father had threatened my life and I was angry at what my mother had said."

Lee said he lit a match to see what he had done and then dropped the flaming stick on the bed where his mother's body lay. "The flames flashed up and blinded me," he went on, "and I jumped into my room, put on my trousers and ran to alarm the neighbors. I would not have done this thing for anything if I had had any sense at all."

The fire in the Lee home was put out before the bodies, the skulls crushed, had been more than scorched and the youth stolidly helped carry them out to the lawn, insisting that he did not know how they came to their death.

Packs Dishes for Own Use.

Evidence produced refuted Lee's statement that he rushed from the house immediately after he had started the fire. A basin, stained with blood, in which he had washed his hands, was found. Long, gray hairs, supposedly his mother's, clung to the sides of the basin. Hidden behind a door was a basket filled with dishes, knives and forks and kitchen utensils, which, it is believed, he had packed with the idea that he would escape the consequences of the murders and soon have his own home. The lives of his father and brother were insured for $700 and this would have come to him on their death and that of his mother.

Lee is illiterate and has been an idler since boyhood, according to testimony at the coroner's inquest at Boonville. His father, a plasterer, appeared to fear him and supplied him with money.

SAGE TEA WILL DARKEN THE HAIR

Restore Faded and Gray Hair to Natural Color—Dandruff Quickly Removed.

There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance they made a brew of sage leaves and applied it to their hair, with wonderfully beneficial effect.

Nowadays we don't have to resort to old-time, tiresome methods of gathering the herbs and making the tea. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready-made product, Wyeth's Sage and Sulphur Hair Remedy, containing sage in the proper strength, with the addition of sulphur, another old-time scalp remedy.

The manufacturers of this remedy authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.
